Summary

I am a student taking upper division CS classes at Lewis-Clark state. I have completed C++ projects including topics such as: Genetic Algorithms, A* Search, Minimax, and OpenGL game design. I have also led team projects utilizing agile methods described in the Scrum Guide. I am someone who will take charge and work to learn what is needed for the team to succeed.

Experience

Boys & Girls Club / Youth Development Professional, Stem Supervisor

May 2024 - Present, Lewiston ID

Currently leading a grant sponsored by the Idaho Out of School Network which involves teaching high school aged staff to perform and teach STEM related activities. This is in an effort to increase the number of Idaho native STEM workers.

Les Schwab Tires / Sales and Service

December 2019 - December 2023 / Meridian ID

Handled the input and organization of freight for the store. Used effective communication with truck drivers and employees from stores around the treasure valley. I have also trained new and veteran employees in assisting with inventory management.

Education

Lewis-Clark State College / Computer Science

August 2022 - Present, Lewiston ID

I am currently a junior intending on graduating in the spring of 2026. I have a cumulative GPA of 3.97.

I am on the promotion board for Computer Science professor Dr. S. Seth Long.

Extracurriculars

Lewis-Clark State College / Cross Country & Track and Field

August 2022 - Present, Lewiston ID

I am a strong member of the LCSC Track and Field team in terms of performance and as a teammate.

Cross Point Alliance Church / Worship Team

November 2022 - Present, Lewiston ID

An active member of the Cross Point Worship Team in an effort to spread the love of God and assist in the growth of my church. I am a member of our church's Worship Leader Cohort for musically and technically leading Sunday Worship.
