Summary

I am a student taking upper division CS classes at Lewis-Clark state. I have completed projects including:

- OpenGL 3D Game Design
- Artificial Intelligence algorithms including Neural Networks
- Websites using HTML, CSS, and JavaScript

I have been a leader in an agile focused Scrum team utilizing test-driven development and DevOps using Git.

Experience

Boys & Girls Club / Youth Development Professional, Stem Supervisor
May 2024 - Present, Lewiston ID

Currently leading a grant sponsored by the Idaho Out of School Network which involves teaching high school aged staff to perform and teach STEM related activities. This is in an effort to increase the number of Idaho native STEM workers.

Les Schwab Tires / Sales and Service
December 2019 – December 2023 / Meridian ID

Handled the input and organization of freight for the store. I have trained new and veteran employees in assisting with inventory management.

Education

Lewis-Clark State College / Computer Science
August 2022 – Present, Lewiston ID

I am currently a junior intending on graduating in the spring of 2026. I have a cumulative GPA of 3.97. School work is completed in a terminal based Linux environment with frequent use of terminal commands and regex.

I am on the promotion board for Computer Science professor Dr. S. Seth Long.

Extracurriculars

Lewis-Clark State College / Cross Country & Track and Field
August 2022 – Present, Lewiston ID

I am a strong member of the LCSC Track and Field team in terms of performance and as a teammate.

Cross Point Alliance Church / Worship Team
November 2022 – Present, Lewiston ID

I am a member of our church's Worship Leader Cohort for musically and technically leading Sunday Worship.
